American Truck Simulator Drive around in American made trucks, delivering goods across the United States.. While the focus is obviously driving, doing jobs to earn money, buying your own truck (and eventually your own fleet), and hiring other drivers means you can get very involved with the game.. The game is basically unchanged: start as a freelance driver, earn cash, buy your own truck, and build your own delivery company.. There are many truck simulators out there, but ETS is one of the most famous and best loved.
